

Moto Guzzi – Norge GT 8V

Product preview

Moto Guzzi – Norge GT 8V

First class travel with the Moto Guzzi Norge GT 8V

Fitted with the latest version of the 8v Twin-cylinder engine and a substantial level of new components. The New Norge GT 8v has been developed for enhanced comfort, performance and handling.

Highlight of changes:

- **New forks and rear shock for improved handling and corner stability, even while fully loaded**
- **New electrically adjusted windshield**
- **New 8v engine with more torque and power: 104Nm torque@ 5,500 and 102bhp.**
- **New fairing with improved wind protection and noise reduction for rider and pillion**
- **Easier to read instrument panel with trip computer, re-positioned closer to rider**
- **Anti slip seat with body forming foam for rider and pillion comfort**
- **Factory fitted centre stand with improved lever arm design**
- **Vibration damping footrests**
